Contact Report #18

Opening of Meeting:

C 1. Agent arranged at previous meeting agent Grallspice 1 and case officer met at 1100 on 23 April 1953 in front of the Festspielhaus in Salzburg. Since the meeting was to be of short duration it was decided to conduct the meeting in the park across the street.

Operational Matters:

3. None.

Personal Matters:

4. Case officer reported to agent that it was considered safe to rent the VOCELKA apartment. However, agent was asked not to sign a formal agreement as this would have to be certified and registered by the Austrian Finance Office. Agent was also asked not to pay any money for rent at this time but to wait several weeks. Agent answered that this would be easy since the apartment would not be free until after 15 May 1953.

5. In response to case officer's question as to how things were getting along at the Naturfreundehaus agent answered that he thought he would have to leave there in a little while as the tourists were beginning to invade the city and rooms at the Haus were reserved. Agent added that however it was very enjoyable. "There is even a girl there," he answered. Noting to agent how convenient this is case officer asked who the girl was. Agent replied, "She is the owner's daughter. She is sixteen years old."

Administrative Matters:

6. Agent was paid 600 schillings as reimbursement for room rent at the Naturfreundehaus. A signed receipt was returned.

Close of Meeting:

7. Meeting ended at 1115 hours. It was decided that the 27 April meeting be held at the Sternbräu restaurant. It was therefore agreed to meet on 27 April in front of the Non-Stop Kino at 1200 hours from where agent and case officer would go to the Sternbräu for lunch.

Case Officer Comments:

8. Agent's "feeling" that he must soon leave Naturfreundehaus because of the approaching tourist season may be attributed to (a) his having run down the line of available girls in Salzburg and is now desirous of having his family with him in Salzburg, or (b) his relations with the owner's daughter at the Naturfreundehaus. At any rate it would be better to tell agent to move from the Haus to a hotel until he can occupy his own apartment with his family.
